

## FY21 Sub-Award Recipients

We are proud to announce the FY21 sub-award recipients, a group of outstanding organizations dedicated to empowering youth and strengthening communities across Kentucky.

- **Bridging The G-A-P** received **\$50,334** to support its mission of providing opportunities and resources that help young people thrive.
- **Life Literacy Education** was awarded **\$200,000** to expand its work in advancing literacy and lifelong learning.
- **Northern Kentucky Community Action** received **\$99,831** to continue delivering essential services and support to families in need.
- **Wanda Joyce Robinson Foundation, Inc.** was awarded **\$150,000** to further its efforts in mentoring and advocacy for youth impacted by incarceration.
- **Young Adult Development In Action, Inc.** received **\$315,606** to strengthen its programs that prepare young adults for success in education, employment, and leadership.

Together, these organizations represent the heart of our investment in equity, opportunity, and youth empowerment. Their work ensures that young people across the Commonwealth have access to the tools, support, and pathways they need to succeed.
