Topic: Kentucky Three-Year Strategic Plan

Administrator Harp,

This letter is being forwarded to inform you that currently the Kentucky Juvenile Justice Advisory Board, in coordination with the Department of Juvenile Justice (Kentucky's Designated State Agency) does not have proposed changes from the FY 2018 submitted and approved three-year plan (FY2018-2020). The State is working on the current established and approved goals and objectives.

During this past year, significant focus has been placed on the following (2018-2020)

Kentucky Strategic Plan Goals:

Goal 1: (To) Develop and sustain a viable, accountable, and well-functioning advisory board.

Goal 3: (To) Serve as a leading resource for best practices, including prevention models and strategies that advance the mission of the JJAB.

Goal 4: To advance equity for minority youth groups, related to juvenile justice system involvement and service provisions.

Goal 5: (To) Build the overall capacity for individuals, groups and communities to address issues relevant to juvenile justice.

Goal 6: (To) Ensure compliance with all four (4) core requirements of the Juvenile Justice and Delinquency Prevention Act (JJDPAct)

Kentucky will proceed with examining needs for change or adaptations to the current goals and objectives as the State proceeds with transitions and requirements associated with the adoption of the Juvenile Justice Reform Act of 2018 and/or any State, departmental or organizational transitions.

Please contact me if you have any additional questions or concerns regarding this matter.

Respectfully,
